Projects

City Remixed - Fields of action, decision-making principles and recommendations for a circular economy in the construction sector Graz

Juhart, J., Riewe, R., Raudaschl, M., Triantafyllidis, G., Hausegger, B., Haingartner, S., Dengg, E., Kurz, C., Levak, T., Schlegl, D. & Gündera, A. L.

1/11/21 → 31/10/22

Joining Cards - Investigation of the current heterogeneous use of materials and their joining methods in interior finishing systems, which lead to problems in reuse and recycling, and investigate cardboard with regard to a broad application as a standardized interior finishing system.

Riewe, R., Levak, T., Raudaschl, M., Gündera, A. L., Schlegl, D., Hausegger, B., Kurz, C., Boleš, M., Triantafyllidis, G., Haidacher, C. & Gschweidl, L.

1/11/21 → 31/10/22

KartSmart Studie - Criteria Catalogue for Determining the Potentials of Cardboard as Building Material

Riewe, R., Raudaschl, M., Haidacher, C., Levak, T., Haring, J. & Reisinger, J.

15/08/18 → 15/02/19

Piezo-Klett - Development of piezoelectric hook-and-loop application for the energy supply of active sensor technology in the building industry

Raudaschl, M., Riewe, R., Freytag, B., Levak, T., Drnda, E., Schlegl, D., Vidal Martinez, M. S. & Popek, S.

1/09/20 → 31/08/22

Pre-Feasibility Study: Potentials for Development "Schirmitzbühel - Kapfenberg (Styria)"

Gangoly, H. & Levak, T.

20/10/14 → 15/12/14

ReCon - Development of a resilient hook-and-loop fastening system for adaptable assembly of building components in building construction

Riewe, R., Hirn, U., Freytag, B., Dengg, E., Popek, S., Haingartner, S., Raudaschl, M. & Levak, T.

1/11/22 → 30/04/25

Sanierung Elisabethhochhaus - Study Renovation Project "Elisabethhochhaus"

Riewe, R., Raudaschl, M., Asteiner, M., Boleš, M. & Levak, T.

1/04/22 → 30/09/22

Activities

Graz Center of Sustainable Construction

Matthias Raudaschl (Organiser) & Toni Levak (Organiser)

23 Jun 2022

Graz Center for Sustainable Construction

Matthias Raudaschl (Participant) & Toni Levak (Participant)

22 Jun 2022

Project presentation "ReCon" and "City Remixed"

Matthias Raudaschl (Speaker) & Toni Levak (Speaker)
22 Jun 2022

Pfingstdialog: Geist & Gegenwart

Matthias Raudaschl (Participant) & Toni Levak (Participant)
1 Jun 2022 → 2 Jun 2022

4.Expert*innen Workshop „Mit Wärmepumpen das Klima schützen“

Matthias Raudaschl (Participant) & Toni Levak (Participant)
30 May 2022

FORWARD ARCHITECTURE - Studierende gestalten soziale Praxis

Toni Levak (Participant) & Carina Kurz (Participant)
11 Nov 2021 → 14 Nov 2021

TU Graz – Science for Future 2021 | Circular Construction

Matthias Raudaschl (Speaker) & Toni Levak (Speaker)
29 Sep 2021

2.Expert*innen Workshop „Mit Wärmepumpen das Klima schützen“

Matthias Raudaschl (Participant) & Toni Levak (Participant)
20 May 2021

Dean's Office of the Faculty of Architecture (1001) (Organisational unit)

Toni Levak (Member)
7 Apr 2021 → 31 Dec 2022

FFG Workshop

Toni Levak (Participant)
2021

Digitalakademie

Toni Levak (Participant)
2019

Bautech Talks 19

Toni Levak (Participant)
19 Nov 2018

Employment

Graz University of Technology

Institute of Architecture Technology (1490)
Graz University of Technology (90000)
Graz, Austria
1 Sep 2018 → present

Prizes

Herbert Eichholzer Förderungspreis 2011

Levak, Toni (Recipient), 2011
